We had an email/internet system blackout here for the past 1.5 hours so I don't know whether you sent this email earlier and I got it just now; in any case, I can do more work on it and get back to you tomorrow morning, I have to leave office in the next few minutes.

Hi all,

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP) Please correct any mis-statements and make any clarifying edits you feel would be appropriate or helpful by COB today if possible. If not, let me know. (I will re-read also since I wrote this quickly!) Also, please let me know if a call would be helpful, and please feel free to forward this draft to anyone else in your offices whose review would be helpful. This is just a draft from which to work, so happy to have changes or expansion to improve accuracy or clarity.

Dan, Chris, Scott, Mike, and Sara - copying you as well just based on your technical experience and backgrounds with oil and gas operations.

Thanks!
